Strawberries in Barrels.

Mrs S C. Sanford is engaged in strawberry culture on her piace, two miles south of Livermore, on quite an extensive scale, when the method is ta ken into consideration. She has bored holes in the sides of boxes, barrels, casks, hogsheads and other available vessels, and filling the same with fine, rich earth, has set out strawberry plants, the leaves and crowns projecting through the perforations. In the center of each barrel or box is a very leaky bucket, which is filled with fertilizer, and into which is poured the water for the plants. They are thus easily irrigated and fertil-"N .w." said the bride, "Henry, I want | ized at the same time. She has 1,000

Ah. Johnny Roach. WASHINGTON, March 21,-Secretary ter to Mr. John Reach, in which the any frauds have been discovered, or that Secretary declines to accept that ves-el any fault is found with the book keep- just completed by Mr. Roach The Secing Any attempt to interview those in retary says he found that the Dolphin the department who have access to the did not, upon her trial trip, come up to expert's room meets with evasive ans- the terms of the contract which call for wers or a dead silence, which is only cal a development of 2,300 horse power by culated to exaggerate the importance of a very natural proceeding on the part of Advisory Board report that the deficiency of borse power required was not due to defective workmanship or materials, but that with better coal the vessel would come up to the requirements of lay. He therefore suggests another

rial trip for the purpose of demonstrating that this supposition is correct. I have been a sufferer two years from catarrh or cold in the head, having listressing pain over my eyes. Gradually the disease worked down upon my lungs, my left ear was slmost deaf, my voice was failing me. I procured one hottle of Ely's Cream Balm and within five days my bearing was resorted, the pain ceased over my eyes, and I am now enjoying good health. I recommended

No family can aff ord to be without a bottle of Cheney's Stomach and Liver Regulator in the house. Sold by R. W.

Father, it is a great gift of the gode to be born with a hatred and con of all injustice and meanness. Yours is a higher lot, never to have lied and truckled, then to have shared bonors won by
